FINALLY AN 'ALL INCLUSIVE' EXPERIENCE

Key West escapes don't come much closer to the sea than Oceans Edge Key West Resort, Hotel & Marina, which is – as the name suggests – set right on the Atlantic. Oceans Edge flawlessly blends the tropical Key West style with a luxurious, relaxing, oceanfront experience. Stays revolve around nautical activities, thanks to the selection of kayaks, stand-up paddleboards and Jet Skis available (although swimming in the six pools isn't a bad alternative). If you're here for the angling, choose the charter style that fits your needs, and try bottom, flats or tournament fishing. Oceans Edge delivers the full Key West experience, right outside your door.

ON-SITE DINING

Dine at One of the Best Key West Restaurants
American-Caribbean Cuisine at Yellowfin Bar and Grill

The environment at Yellowfin Bar and Grill is delectable. LOCATION

Oceans Edge Key West is located three miles from Key West International Airport and 5.6 miles from Duval Street or the downtown Key West area. We offer complimentary hotel shuttle service to the downtown area. Taxis and ride sharing services such as Uber and Lyft are also available.

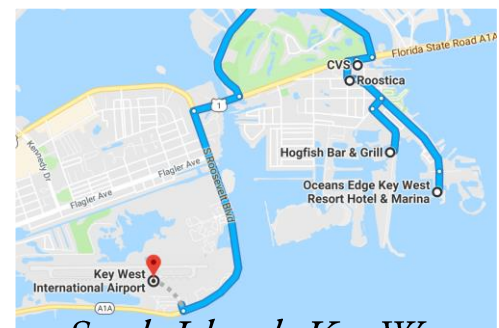

Stock Island: 1 of Key West's 7 islands, The New York Times calls it "the new old Key West."

Our hotel is perfectly situated not just for Key West, but also for quick access to the best of the Lower Keys.

STOCK ISLAND

With its growing artist community and hip restaurants, the neighborhood remains a quiet refuge from bustling Duval Street. A place where locals take visitors to see what Key West used to be like; where you can watch the local fishermen heading out with the dawn, or shrimp boats come in after a three-week journey; where you can buy lobster or hogfish straight off the boat. Stock Island is home to the commercial fishing fleet of the Florida Keys, and all the best charters.
